# Greening the playing fields

**Country: Tanzania**

**Partner: TULOG**

Tulime Organization use Udzungwa Heroes Football Club to reach the community on matters of garbage collection and recycling. The players will join volunteers to provide awareness raising through football game, this program will involve short meeting that will be held before the start of the football game people will be informed on the importance of waste management and Recycling; Players will be reminded on 3Rs (Reuse, Refuse and Recycle) Youcom team will prepare a banner containing a message **“Greening the playing fields”**

The collection of garbage will be conducted at pitch grounds; players will participate in collecting plastic bags and bottles after the match ready for recycling. This approach will act as a part of enhancing the capacity of community to take necessary initiatives on garbage collection hence, helping the community live friendly with the nature.

*Ball made from recycled plastic bag*

*Rede game*

The team will be divided into two groups one group will create objects by using recycled plastic bottles and other group will create objects by using collected plastic bags, the objects will include balls called (mpira wa makaratasi) in Swahili which means plastic balls; These balls are used by girls to play the game called rede especially in rural areas and boys use to play football This innovative activity will help to re awake the Rede game that is seems disappearing nowadays; this game will make children realize the reuse of plastic bags that before were littered into their surroundings; hence now they know that created plastic balls is not only for playing rede or football games but also for environmental protection.

*Reuse of plastic bottles*
